

# **BUCKET FORKS**

*Affordable Quality!*

BF clamp on bucket forks mount easily to most loader buckets without tools. Forks are equipped with handles so they can be easily moved. A large diameter screw, and a large mounting pad secure the fork to the bucket.

- ⇒ Requires no drilling of holes in the bucket
- ⇒ Several tine lengths available
- ⇒ Installs in minutes
- ⇒ Fits most common loader buckets
- ⇒ Tubular steel tine is enclosed at both ends
- ⇒ Safety rating is two times stated capacity

<b>Model No:</b>	<b>Lift Capacity</b>	<b>Tine Length</b>	<b>Weight</b>	<b>Tine Size</b>	<b>Fits Buckets</b>
